Safety and Rules

CYC is committed to maintaining a safe and positive environment on our campus. All participants in the program must pass a simple swim test given on the first day of instruction. They must also have and wear an approved personal floatation device (life jacket) that is the approved size for the sailor. Parents are expected to inform their children that proper self discipline is required while in the program. Violations of safety or other program rules may result in a disciplinary action including suspension or dismissal from the program without a refund.

Junior Associate Sailing Membership

Junior Associate Sailing Memberships are required for all participants ages 7-18 who are not children of current members. Please visit <https://www.carolinayachtclub.org/> for more information.
